	Roma	D	red	OP. Reliable producer. Vigorous plants. Thick-walled plum tomato with deep red color and mild flavor. Great for sauce	65
	San Marzano	I	red	OP. Classic Italian variety for paste, puree, or canning. Long cylindrical fruit. Kate's Mom's favorite for sauce.	80

KEY TO PLANT TERMS: **HEIRLOOM:** Old fashioned open pollinated varieties with a history of being passed down through generations. **OP (OPEN POLLINATED):** Plants produce seed that is true to type (if properly isolated from other varieties). **HYBRID:** Developed through deliberate crossing of 2 different varieties of the same species. **I = INDETERMINATE:** Climbing/vining. Keep producing new shoots and blossoms even after fruit set. Vigorous plants need to be staked or trellised. Fruit ripens over an extended period. **D = DETERMINATE:** Bush habit, with short vines that grow little once fruit is set. Fruit ripens within a concentrated period. Can be grown with or without staking. **S = SEMI-DETERMINATE:** Plants grow moderately tall (3 - 5 feet) and may require some staking. Produce for an extended period, but not as vigorous as Indeterminates. * = Stout Oak Farm Tomato Tasting Winners!

Stout Oak Farm Certified Organic Seedlings ★ 2018 Vegetable Varieties

Grow more food this year with Stout Oak Farm seedlings! The varieties on this list have been carefully selected by the Stout Oak farmers for their excellent flavor, reliability, disease resistance, and ability to thrive in our New England climate. We love growing heirloom and open-pollinated varieties, so they make up the bulk of the list. All plants are started from organic seed at Stout Oak Farm, and grown in an organic compost-based potting mix. Our goal is to help you get your garden off to a great start with strong, healthy plants!

Eggplant	Variety	Fruit Color		Type
	Black Beauty	dark purple	Classic Italian eggplant with dark purple glossy skin. Hefty bell-shaped fruits. Perfect for eggplant parmesan!	OP
	Beatrice	bright purple	Beautiful bright violet eggplant with round shape. Italian type with mild taste. A Stout Oak favorite.	Hybrid
	Orient Charm	purple/pink	Asian type. Glossy light purple/pink skin. Slender fruit are 8 - 10" long. Excellent for stir frying and grilling.	Hybrid
	Variety	Fruit Color		Type
Peppers	Yankee Bell	green/red	A red bell pepper for northern climates. Very sturdy plants bear high quality, medium sized block bell peppers.	OP
	Carmen Sweet Italian	green/red	Sweet thin-walled Italian frying peppers, maturing green to red. 6 - 8" long. "Bulls horn" type. Very productive.	Hybrid
	Orange Bell	green/orange	Bright orange sweet bell pepper. Large blocky shaped fruit with thick walls. Juicy, sweet flavor.	OP
	Purple Bell - <i>NEW!</i>	purple	These sweet bells are a stunning medium lilac-purple. Medium sized fruit on strong stocky plants.	Hybrid
	Banana	yellow	'Lightning' (hotter than usual) banana pepper. Perfect for pickling. 7" fruits borne on tall, high yielding plants.	Hybrid
	Cayenne	green/red	'Cheyenne' cayenne for fresh use. 8-9" fruit are both sweet and moderately hot. Excellent for frying + salsas.	OP
	Jalapeno	green	'Triunfo' - reliable producer of 3 - 4" jalapenos. Large plants. Harvest green or red. Distinctive jalapeno flavor.	Hybrid
	Anaheim - <i>NEW!</i>	green/red	7" long fruits tapering to a point. Turn from green to red. Not too hot. Typically used for chiles rellenos.	OP
Cucumbers, Squash, etc.	Cucumber, Marketmore Slicing		Classic dark green slicing cucumber. Harvest at 8 - 9" long. Very productive! Easy to grow; disease resistant.	Hybrid
	Cucumber, Pickling		These short crisp cucumbers make great pickles! Harvest at 4 - 6" long. Great for fresh eating too!	OP
	Cucumber, Lemon - <i>NEW!</i>		Perfectly round lemon-yellow cucumbers are the sweetest, juiciest tomato we've ever grown. So fun to grow!	Heirloom
	Summer Squash, Patty Pan		Pretty round yellow summer squash with scalloped edges. Productive plants. Excellent for grilling or stuffing.	Hybrid
	Summer Squash, Yellow Straightneck		Prolific yellow squash produces all summer long. Uniform squash with smooth yellow skin. Disease resistant.	OP
